

Kali Dobry

My husband, Matt and I moved from Bend, Oregon about 5 years ago seeking year-round warmer weather. After vacationing in Arizona over the years we fell in love with the Phoenix area and decided to pick up our lives and head to the land of the sun leaving all our friends and family back in Oregon. We quickly learned that the neighborhoods of Arcadia were where we had to live and have since decided that we will never leave. We love biking to all the vibrant neighborhood restaurants, walking the canal with our golden retriever, Daisy, hiking Camelback, the centralized location and especially the sense of community with all of our neighbors.

Not long after moving to Phoenix and inspired by my mother's longtime dedication to the residential real estate industry back in Oregon, I knew it was time to pursue my own passion and become a licensed Real Estate Agent in Arizona. I love that I get to work where I live and enjoy sharing my passion for the Arcadia area with new families moving here or helping those that have lived here for many years find something new. Arcadia truly is one of the best places to live!

Ever since I was a little kid I always imagined myself living in a neighborhood where you knew all of your neighbors, looked out for one another and where lifelong relationships were built. Recently, I was given the opportunity to step in as our neighborhood Block Watch President. This incredible opportunity has given me the chance to get to know my neighbors even better while also helping keep our neighborhood safe and crime free. To further my involvement in the area, I am so excited and thankful to be a part of the ACMNA Board. Arcadia is our home and I will do anything I can to maintain what we all love about it!
